Figure 12- 4 Add new PT Users Log

- After filling out the form click Save, and make sure a pop-up message is displayed, refer to section 7.1 Save for more details.
- If a mandatory field is left out or any form failed validation during the form submission a validation message box will be prompted, refer to section 7.2 Validation Message Box for more details.

Overview:

The Add New PT Users Log page consists of information as explained below:

- Toilet Name – The user must select either a toilet name or ID if the name is not available.
- Date - The date this form is being filled.
- No. of Male Users(daily) - Total number of male users for that day.
- No. of Female Users(daily) - Total number of female users for that day.
- When the user Edits the information of the PT/CT Users Log the First two fields cannot be changed. If the user wants to make changes to the first two fields, the user will have to delete the information and add new records.
