

# Miscellaneous

## Overview:

- When the user is using the APP for the first time, the user must provide location permission and Photo media access to the app.
- Allow IMIS Base to access this device's location requested by the App by clicking **'WHILE USING THE APP'**.
- Allow IMIS Bases to access photos and media on your device, the user should click **'ALLOW'** to grant access to the photos and media.
- The user is also prompted to always turn on location services while using the mobile application.
